Of course! We always seek to gather a diverse group, including unusual profiles. At ASEF, we seek people with fresh and innovative ideas, regardless of their educational, professional or social background. For the 4th ASEF Young Leaders Summit we seek people who are willing to share & enhance their knowledge & skills in peer-to-peer learning environments, keen on rolling up their sleeves, pitching in and actively contributing to youth activities in local communities that contribute to Sustainable Development.

15. Will you be conducting interviews?

Yes, we may reach out to applicants for an interview.

C) Programme & Learning

17. What will Phase 1, the Knowledge Building, include?

The ASEFYLS4 Knowledge Building phase fuses theory, training and policy and integrates 4 elements:

1. **Thematic Course** with a certification of participation, focusing on Asia-Europe and international relations in the context of the Sustainable Development Goals (SGD3, 4, 8 and 13), led by College of Europe in Natolin in partnership with ASEF

2. A **Leadership Training** with a certification of participation, exploring Self, Team & Societal leadership, led by the Center for Creative Leadership in partnership with ASEF

### 18. What will Phase 2, the Youth Summit, include?

There are 2 alternative formats for the ASEFYLS4 Youth Summit, pending local and international public health and safety guidelines, as well as travel recommendations. It will either

1. take place in a **hybrid format**, where some ASEFYLS4 participants will be able to join physically in Cambodia and some will join virtually. The number of participants on-site will be determined based on local health and safety policies and ASEF guidelines; or

2. take place **fully virtually** for all participants,

A decision on the format of the ASEFYLS4 Youth Summit (hybrid or virtual) will be announced in due course.

In both cases, the Youth Summit will include:

- Expert sessions, discussion forums and workshops on the SDGs, including local case studies from Cambodia
- Dialogues and interactions with ASEM Leaders and their Delegations
- A Youth Declaration led by 4 ASEFYLS4 participants at the Opening Ceremony of the 13th ASEM Summit

### 19. What does Phase 3, Leadership in Action, entail?

Phase 3 of the ASEFYLS4 takes place from June to November 2021 with the objective to strengthen Asia-Europe youth cooperation and volunteering.

Participants will turn theory into action and contribute their time and skills to concrete community projects on four SDGs in several ASEM countries (SDG 3, 4, 8 and 13). In total, the ASEFYLS4 supports 15 local community projects, each led by 1 ASEFYLS4 Navigator. Read more about them [here](#).

As part of the Application Form applicants must indicate which Leadership in Action project they would like to join and support. Applicants can indicate their top three choices. As the 15 projects vary in their nature, participants will likely have different experiences during this programme phase.

### 20. Am I guaranteed to join my chosen Leadership in Action project?

We will allocate participants to Leadership in Action projects based on the choices they indicate in the application form, what they believe they can contribute to the project, and what the leading Navigator requires for the successful implementation of the project. There may be however a scenario where we believe that a participant’s skills and knowledge would benefit more a project that she/he did not select.
21. Can I be part of more than one Leadership in Action project?

To ensure successful implementation of all 15 projects, participants will only be part of 1 project each. However, we encourage you to learn about the other projects.

22. Do I need to be physically in the country where my project will take place?

No. The ASEFYLS4 Leadership in Action projects are designed to welcome participants to contribute both remotely and on-site.

23. Will I receive a certificate for the ASEFYLS4?

Yes! Upon completion all 3 phases of the 4th ASEF Young Leaders Summit, each participant will receive a Certificate jointly issued by ASEF and the Ministry of Foreign Affairs and International Cooperation (MFAIC) of Cambodia, for their participation in the 4th ASEF Young Leaders Summit and contribution to the 13th ASEM Summit (ASEM13).

In addition, all participants will receive Certificates of participation from the College of Europe in Natolin and Center for Creative Leadership, upon successful completion of the respective courses during the ASEFYLS4 Knowledge Building.

24. What will I get out of the programme?

The ASEFYLS4 is your platform for Asia-Europe networking among young leaders, for deepening intercultural understanding and exchanges, and for inspiration & action on Sustainable Development.

* Pending local and international public health and safety guidelines, as well as travel recommendations

25. How do I prepare for the ASEFYLS4? What do I need?

Participants have to be prepared in the 3 following areas:

1. **Technical Accessibility**: The programme includes many virtual elements, hence, it is necessary that participants have access to teleconferencing facilities (working laptop/desktop, webcam & microphone) with stable internet connectivity.
2. **Content**: Participants are expected to participate in all activities – and complete individual and team in a timely manner to contribute to the programme’s success.
3. **Time Commitment**: It is crucial to the outcomes and design of the programme that participants make a commitment to be present for all parts of the programme. Please review the proposed dates we have shared in the Overview. As there will be assignments and research, participants must ensure they can allocate sufficient time to meet the learning objectives each week.

26. Are there any commitments or opportunities after the project to stay engaged?

After the programme is completed, there are no commitments, but we of course hope that the ASEFYLS4 will have inspired you to take a leap further with initiatives and action among your peers.

ASEFYLS4 participants will become alumni of ASEFEdu and have the opportunity to join in various capacities including but not limited to:

- **ASEM Ministerial meetings/High-level forums**
  Possibility to be invited to official ASEM meeting and to present a youth perspective and/or to engage with senior government officials and policy makers.
- **Navigators Training**
  Go through an on-site/virtual training programme and become a Navigator yourself and join future ASEF Young Leaders Summits as a facilitator.
- **Alumni-led initiatives**
  Build networks with our ASEF community and continue the international exchanges of ideas through online and offline platforms.

We always strive to understand the impact of our projects and may get in touch with former participants to conduct impact assessments.

**D) Travel, Funding, Safety & Liability**

27. Will I be able to travel to Cambodia?

If a physical ASEFYLS4 Summit goes ahead, it is of utmost priority for ASEF and its partners to ensure participants’ health and safety.

Hence, the total number of participants on-site will be determined and possibly limited based on the local host’s health and safety policies and ASEF’s requirements.
28. **Will there be a travel subsidy to travel to Cambodia?**

ASEF and its partners will provide a travel subsidy for the determined number of participants travelling from abroad, from your country of residence to Cambodia and back. The subsidy could also cover local transportation (home – airport – home). The travel subsidy amount will be announced to the selected participants directly and only be paid if the participant physically attends the Summit.

The organisers will also provide:
- shared accommodation for the selected participants travelling from abroad to Phnom Penh
- meals, adjusted for participants who have special dietary requirements, as much as possible
- financial support to cover travel insurance and visa fees (if applicable)
- a visa support letter to those who require it

29. **What are my responsibilities in terms of travelling? Are there possible risks involved?**

All travelling participants are responsible for informing themselves about and abiding by health, safety and travel policies issued by the local, their own national and international authorities. This also includes vaccinations necessary to travel to the region.

Those participants must sign a legally binding consent form that they understand that any travel has an inherent risk of exposure to COVID-19 and, should they travel, voluntarily assume all risks.

It is also mandatory for all travelling participants to purchase a travel insurance that covers health matters and possible flights cancellations.

Neither ASEF nor its partners can be held liable by participants for any illness, injury nor legal actions taken against a participant for not abiding by official health and safety regulations.

30. **If I fund travel myself, can I automatically be selected to go to Cambodia?**

This will not be possible for accessibility and equity reasons.

31. **Can I receive a support letter to submit to my university/workplace?**

We can provide a letter entailing engagement in the full programme, including support for taking Leave to participate in the on-site element in Cambodia, should you be selected and international public health advisories allow for travel.

32. **Is there a participation fee?**

There are no participation or registration fees. This is a fully funded project, including the issuance of certificates.

### E) Accessibility

34. I have special needs, can I apply?  
Yes, we encourage everybody to apply for the 4th ASEF Young Leaders Summit, including persons with learning disabilities or other special needs.

If you are selected to join the on-site element in Cambodia, and you require to be accompanied by a personal assistant, they are welcome to come.

36. Are the costs covered for my personal assistant?  
Yes, we will cover her/his travel expenses (subject to a maximum travel subsidy) as well as provide her/him with accommodation and meals throughout the project.
