A. BACKGROUND

Annually, the Ministry of Foreign Affairs of Indonesia (MFA) as the national focal point of the Asia-Europe Meeting (ASEM) regional cooperation forum organizes ASEM Day to celebrate the establishment of ASEM, in order to socialize the existence of ASEM to national stakeholders as well as the wider community in Indonesia, as well as to inform the achievements that have been achieved through Indonesia's participation in the forum which since its establishment in 1996 as the bridge of cooperation between countries in Asia and Europe.

Prior to the pandemic, ASEM Day would take a theme that is important for both regions and would also enlist the collaboration with various ASEM embassies in Indonesia through cultural and culinary exhibitions from each nation. However, since the pandemic, the activity's format has been adjusted into virtual celebration.

In line with the agreement among ASEM Leaders at the 13th ASEM Summit in 2021 as well as Indonesia's national priorities, ASEM Day 2022 will highlight two important issues of the Digital Economy and the role of Micro, Small and Medium Enterprises (MSMEs) in accelerating the post-pandemic economic recovery, thus set “Digitalization of MSMEs: Bridging ASEM Economic Recovery During the Pandemic” as the overarching theme for ASEM Day 2022.

ASEM Day 2022 will be held in an interactive talk show format featuring Ambassadors from Asia and Europe and entrepreneurs in the digital economy industry.

B. OBJECTIVES

1. Supporting the MFA's agenda in disseminating information to the public regarding the implementation of Indonesia's foreign policy in the region, as well as conducting dialogue and receiving constructive suggestions from the public.

2. Increasing public awareness, including youth and students, about ASEM, as well as promoting the existence of ASEM and the various programs and benefits of ASEM as a forum for comprehensive dialogue between countries in Asia and Europe, including Indonesia's participation and role in ASEM.

3. Expanding network with various related stakeholders.
